

A New Years Wish For All Of Us Lucky To Still Be Here

Another Year Another Clean Slate
You Could Just Leave It All Up To Fate
But The Days Ahead Are All About You
What You Choose And What You Do

Go As High As You Dare
Go As Far As You Care
Push Hard On Your Dreams
Finally See What It All Means

Finish Or Start
What's Been In Your Heart
Be Grateful For What's Good
Let Others Be Understood

It's All About Attitude
It's All About Gratitude
Time Has Come To Be Clever
Yes Kids It Is Now Or Never

'Someday' Is Really Here
So I Wish You ... No Fear
(Oh Yeah... and I wish that you laugh your ass off as much as
possible every day)

Happy New Year!
Delusionally Young & Yours,
Debbie Nigro
